## OBJECTIVE

I have always been a curious person with a passion for problem-solving. Through project work, I've developed strong teamwork and networking skills. I'm adept at bringing people together and leveraging their expertise to achieve common goals.

## EXPERIENCE

### Head of Media & Publicity; IEEE JUIT-SB (Aug 2023 – Feb 2024)

- Increased social media engagement by 400% through strategic content creation and targeted marketing campaigns.
- Managed a team of 5 volunteers responsible for various tasks.

### Team Lead: IEEE SIGHT JUIT, TMP JUIT Youth Club (Oct 2022 - Aug 2023)

- Led a team of 10 volunteers to organize 5 projects (e.g., R&D IEEE, Murious, Technical workshop, IOT workshops, JUIT Annual Fest).
- Increased member participation by 300% through engaging activities and initiatives.

### Organizing Committee, Executive Board (Aug 2021 – Oct 2021)

#### Indian Leadership Summit, Bhilwara

- Through social media engagement, we secured the participation of over 200+ people at a location that had not previously been exposed to the concept of MUNs.

### Campus Ambassador (June 2021 – Oct 2021)

#### Indian Leadership Summit 3.O, Agra

- Through my Networking, and public speaking skill I sole handedly managed to get 80+ registration from Agra itself.
